**ORDER OF DETENTION PENDING TRIAL**

Defendant appeared before me, with counsel, on December 19, 2012, for a hearing pursuant to the District Judge's order of October 25, 2011. (docket # 21). In light of defendant's unexplained and unexcused failure to appear for the final pretrial conference and his failure to report to the Pretrial Services Officer in the intervening fourteen months, I find that there are no conditions of bond that will adequately assure his appearance at trial. Therefore:

IT IS ORDERED that defendant is committed to the custody of the Attorney General pending trial.

DONE AND ORDERED this 20th day of December, 2012.
